### How to get your Passport signed:

The last 4 boxes can be signed by anyone who serves you... your mailman, pastor or priest, police officer or fire fighter—thank them!

When you enter their office, or you go up to the counter, or they open the door, greet them politely, smile and be friendly, shake hands firmly and warmly (not like a cold, dead fish) and say "Hi! It's nice to see you!" or if you don't know the person, introduce yourself, "Hi! My name is \_\_\_\_\_, it's nice to meet you! What's your name?"

After you have pleasant conversation, ask them if they will sign your Passport or stamp it with their company stamp!

Bring your completed passport to City Hall, Township Hall or your local newspaper.
